

RICARDO J. R. ARVELO MEZA

Bioanalyst - M.Sc. in Applied Biotechnology

Carrer de Valencia 553, 6-3 08026

Telephone: +34603852072

ricardo.arvelo@gmail.com

Date of birth: May 14, 1987

PROFILE

Capable of teamwork with professionals from other areas by applying creative ideas and good quality of work. Very enthusiastic to continue developing my career and become part of productive and successful projects. I consider myself a person who has the ability to solve problems and work under pressure. Focused on the achievement of goals, dedicated and professional. Willing to relocate if it were necessary.

EDUCATION

- **University of Granada (UGR). Bioenterprise. M.Sc. in Molecular Biology applied to biotechnological industry** - Granada Spain (Oct 2014- Oct 2015)
- **Central University of Venezuela (UCV). Bachelor's degree in Bioanalysis**, Caracas, Venezuela (2004-2010).

SKILLS AND INTERESTS

- **Wide interests concerning the biotechnology and pharmaceutical industry:** expertise areas in clinical diagnostic like IVD and medical devices, also in microbiology, molecular biology, biochemistry, QC assurance, cosmetics and Food & Beverage industry.
- **Computer Skills:** Expertise in Windows and MAC operating system. Applications: MS Office pack, ticketing systems, database managing systems (SQL Server, Azure, Power BI) CRMs (Zoho, Sap, Salesforce, etc), analyzing data and applying visual tools for presentations. Digital marketing tools by Google Apps, Cloud computing, Coding (Pascal, Java) others.
- **Analytical and Administrative Skills:** administrative support, databases analysis and management. Meeting electronic mailing deadlines, preparing mass mailings, marketing campaign, pre/post sales support. Commercial reports and inventory management.
- **Scientific Skills:** proficient in biochemical and cell-based assaying, wide knowledge in molecular biology and genetic technologies. Also in molecular purification and characterization, applying biochemical techniques such as HPLC, LC/MS, GC/MS, LC-NMR. Familiar with drug metabolism studies and molecular/cellular isolate techniques for Microbiology, applying GLP & GMP Requirements.
- **Language Skills:** **Spanish:** Native, oral and written **English:** Advanced (C2) oral and written communication.

WORK EXPERIENCE

- **Scientist Support and Area Sales Representative. STABVIDA, LDA. Portugal.** Nov 2016- current. Monitoring, extension and loyalty of key accounts in the field of basic and applied research in the area of Oncology, Biotechnology, Microbiology, Genetics and Molecular Biology. Scientific-technical support for researchers & doctors who carries investigation projects and clinical diagnostics.
- **CTO QC-production/ Sales Manager. We are the company, S.L.** May 2016- jun 2017 (Founder). Food and beverage industry, production and distribution. Developing business plans and applying this through market intelligence.
- **Research assistant at Vircell Microbiologist. Department of R&D in molecular biology. Granada Spain (Master Thesis).** 2015 Developing technology for in vitro molecular diagnostics involving the use of molecular and genetic techniques like NGS, polymerase chain reaction (PCR), real time PCR, reverse transcriptase PCR, multiplex PCR, etc.
- **Head of online-services of laboratories "Belenus". Caracas - Venezuela.** Nov 2013 – Nov 2014 (Founder). Web data analysis for client targeting applying digital marketing plans. Business development of new niches and assessing potential businesses for laboratory support services.
- **General Manager of "clinical laboratories K-21" Caracas Venezuela.** Jul 2012 – Sept 2013. Product Manager and Specialist. Supporting pre and post sales to customers in the area of: urinalysis, hematology, molecular biology, applied science, tissue diagnostic, etc.
- **Head of service of occupational laboratory "Lopcymaster" Caracas - Venezuela.** Jul 2012 – Sept 2013 Leading a diagnostic team responsible for manipulation, results-based analysis emission of samples from hospitalized and outpatient cases in different areas such as hematology, blood chemistry, body fluid chemistry, serology, and bacteriology.
- **Lab technician "Unidad Clínica el Recreo" (UCR) Caracas Venezuela.** Jan 2011- Jun 2012. Handling samples from inpatient and outpatient cases for pre-surgical controls, using IVD techniques. Also in charge of the logistic and inventory administration.
- **Lab technician at Neuro-diagnostics laboratory "Dr. Pablo Ordaz" Caracas - Venezuela.** Jan 2011- Jun 2012. Handling and analyzing biological samples from inpatient and outpatient cases with Neuronal or Central Nervous System related pathological disorders with diagnostic aims.
- **Rural internships. Microbiological laboratory diagnosis at Amazonian Center for research and control of Tropical Diseases "Simon Bolivar". Amazonas Venezuela/Colombia/Brasil.** April 2010- Oct 2010.

COURSES AND SEMINARS

- **Urban hospital internships, diagnostic laboratory. Hospitals "José Gregorio Hernández" and "José M Vargas" Caracas - Venezuela.** Oct 2009- Nov 2010
- **Biomedicine institute “Hospital Jose Maria Vargas” and University Central of Venezuela (UCV). Caracas - Venezuela** Jan 2010-Nov 2010
 - **Degree thesis “Development, Characterization and Diagnostic Application of Histoplasma capsulatum antigens”** (Arvelo R., Betancourt A., Alvarado P.).

- **SQL Server 2014. System and database management. Netmind.** Barcelona-Spain. 2017, 100 hours.
- **ITIL | IT Project | ITSM | AXELOS Netmind.** Barcelona-Spain. 2017, 25 hours
- **Stretegic Digital Marketing, Google.** Barcelona- Spain. 2017, 40 hours.
- **Meeting of Scientist entrepreneurs, foundation UGR-Empresa.** Granada - Spain. 2014, 18 hours.
- **NED training Centre, Advanced English Program for business.** Dublin – Ireland (Oct 2013 – Jun 2014).
- **Scientific Meeting of microbiology of the XXI century.** Caracas- Venezuela 2010-11, 40 hours.
- **XXXIII Venezuelan Conference of Microbiology "Dra. Julieta Oudisevich of Siger.** Presentation of research poster entitled "*Effects of deglycosylation on Histoplasma capsulatum metabolic antigen*" (Arvelo R., Betancourt A., Mireya M., Alvarado P., Jiménez J.C.). Caracas 2010. 20 hours.
- **II National Congress of Students of Law, Criminology, Dentistry, Nutrition, Medicine, Pharmacy and Bioanalysis of Legal Medicine (29 - 31 March).** Mérida - Venezuela 2007. 30 hours.
